

QUALITY, ENVIRONMENT AND SAFETY AND HEALTH POLICY

KALEIDO

IDEAS & LOGISTICS

**GLOBAL LOGISTIC OPERATOR
ESPECIALIZED IN INNOVATION
OUR MAIN VALUES**

customer's satisfaction

environmental awareness, workers' health and safety

boost of innovation and continuous improvement

Meeting regulation standards

KALEIDO has implemented an Integrated Management System according to **ISO** standards **9001**, **14001** and **45001** and the **EMAS** Regulation.

KALEIDO will establish and periodically review its quality, environmental and safety and health objectives and has **COMMITTED TO:**

ADAPT TO THE CUSTOMER IN ORDER TO SATISFY THEM

comply with the customer's requirements offering the best service without impacting the environment and ensuring workers' safety and health

FOSTER TEAMWORK

AND THE PARTICIPATION OF WORKERS IN THE MANAGEMENT AND DEVELOPMENT OF A COMPREHENSIVE SYSTEM OF HSEQ

that will provide the staff of the company with the necessary means and an adequate training plan for continuous learning.

WORK UNDER THE PRINCIPLE OF PREVENTION, AVOIDING POLLUTION AND MAINTAINING WORKERS' HEALTH

Planning all processes, reducing and removing waste produced in logistical Operations and promoting the sustainable use of adequate resources

ESTABLISHING THE ADEQUATE COMMUNICATION CHANNELS WHICH ALLOW FOR WORK ON THE CONTINUOUS IMPROVEMENT WHILE ALWAYS MEETING THE REGULATION

and other requirements to which the organization subscribes voluntarily.

EXTEND ACQUIRED COMMITMENT TO STAKEHOLDERS

spreading our quality, environmental, and safety and health policy;

The **INTEGRATED MANAGEMENT SYSTEM** will be revised by Kaleido Management and all employees or partners must meet the requirements described in the documentation of the management system.
